Chairman Howard brought up the proposed Ordinance amendments prepared by Mr. Parlow stating all the members had copies and was there any questions or comments. The draft updates Attachment 1 of chapter 90 (zoning Ordinance) which is the Schedule of Area, Yard and Building requirements and some other modifications that would address a few other deficiencies. It also deletes a couple of sentences in the newly created Bay Beach Way Ordinance regarding detached private garages which are not permitted in that zone and the calculation of building height for oceanfront properties that do not exist in the Bay Beach Way District.
