Application # 8-16, 2 Philly, LLC, 2 Philadelphia Ave., Block 13, Lot 5.01 – Reconstruction on a Non-conforming Lot

The property is located on the south side of Philadelphia Ave. approximately 650 feet east of Route 35 North in Residential District A. The property contains 3,000 sq. ft. with a two story single family frame dwelling. The applicant is proposing to demolish the existing dwelling and construct a new, elevated two story, single family dwelling.

Philip G. Mylod, applicants’ attorney, described the property as being an undersized lot with many pre-existing non-conformities.

Mr. Mylod began by pointing out that the Lavallette Lifeguard Station is directly to the east of the property and blocks the applicants’ view of the ocean. He continued that this is part of the reason the applicants are asking for relief from the proposed second story deck; and he is prepared to prove that there would be no negative impact.

Mr. Brady interjected that an argument regarding beneficial use is not necessary in this case.

Michael Melillo, A.I.A., 402 Higgins Ave. in Brielle was sworn in and gave testimony and supporting Exhibits:

- A-3 Color photograph of lifeguard station to the east and the property and deck to the west

Second page: Photo printout from Google earth of the east view of Philadelphia Ave. with red arrows indicating non-conforming second story decks

Some Board members were in agreement that the proposed structure would be an improvement, however, it is too big. Mrs. Filippone asked if this particular house is proportionate to other houses that are built on other non-conforming, undersized lots? She pointed out that overall, the size of the house should be proportionate to the size of the land.

At approximately 8:30 p.m. the Chairman called for a five-minute recess.

At approximately 8:35 p.m. the hearing was resumed.
Mr. Mylod introduced Mr. Richard Taylor of 1202 Oceanfront who is the owner of 2 Philly, LLC and who also owns 1 Philadelphia Ave. Mr. Taylor was sworn in and avowed that he is asking for a little bit more and creating good, sensible construction for his family. Chairman Howard reminded Mr. Taylor that the relief goes with the property, not with the owner.

The meeting was opened for public comment at approximately 8:58 p.m.

Mr. Gary Hunsinger of 8 Philadelphia Ave. wanted to point out that there will be a lot of things happening in the neighborhood; and therefore, zoning is important, and we need to take that into consideration. Mr. Mylod asked Mr. Hunsinger if he had any objection to the proposed deck being over the porch. Mr. Hunsinger replied that he is concerned about the number of variances.

The public hearing was closed at approximately 9:05 p.m.

Mr. Mylod requested that the application be carried to the October 19th Planning Board meeting, waiving time limits. A motion to approve the adjournment to the October 19th meeting was moved by Mrs. Filippone; seconded by Mr. Borowski. Roll call vote: Filippone, yes; Borowski, yes; Palinsky, yes; Calderaro, yes; Zylinski, yes; Sauer, yes; Cataline, yes; Marino, yes; Howard, yes.

Discussion:

Mr. Brady notified Board members that the Sullivan vs. Lavallette Planning Board case will be heard on October 13, at 10 a.m.

Adjourn:

A motion to adjourn the meeting was made by Mr. Marino, seconded by Mr. Palinsky. Roll call vote: Marino, yes; Palinsky, yes; Borowski, yes; Filippone, yes; Calderaro, yes; Zylinski, yes; Sauer, yes; Cataline, no; Howard, yes. The meeting was adjourned at approximately 9:10 p.m.
